CONSTRUCTIONS

BUILDING FUTURE

Building Dreams,

Crafting Futures

ABOUT US

Aditya Construction was established -2019 by the visionary founders of **Mr. Mahesh Patel & Mr. Maulik Patel**, whose combined expertise and passion drive our mission in the construction industry. Our company is unwaveringly dedicated to delivering exceptional craftsmanship alongside innovative solutions that resonate with the needs of our clients.

To date, we take pride in having successfully completed four residential,flats,bunglow projects, showcasing our commitment to quality and aesthetic appeal. Currently, we are actively engaged in five dynamic projects, each reflecting our focus on meticulous planning and execution.

With the extensive experience and strategic leadership of our founders guiding us, we are enthusiastic about broadening our footprint across various construction sectors. This includes ventures into industrial facilities, healthcare establishments, commercial spaces, and continued residential developments, among others. We are excited to explore new opportunities and elevate the standards of construction excellence.

OUR MISSION

At Aditya Construction, we pride ourselves on delivering reliable and top-notch construction services that our clients can trust. Our commitment to quality and attention to detail ensure that every project we undertake meets the highest standards of excellence. Whether it’s residential,bunglows, flats or commercial construction, our skilled team is dedicated to transforming visions into reality, working closely with clients to understand their needs and exceed their expectations.

OUR VISION

Our goal is to consistently achieve outstanding results while upholding the highest quality standards in every project we undertake. We strive to be recognized as the leading construction company in our community, known for our exceptional organization and meticulous attention to detail in all aspects of our work.

OUR VALUES DEFINE OUR BUSINESS

Integrity

We do the right thing — always, without compromise.

Quality

We build with excellence, delivering projects that stand the test of time.

Safety First

We prioritize the safety of our people.

Customer Commitment

We listen, understand, and exceed client expectations every step of the way.

Innovation

We embrace new technologies and smarter solutions for better results.

Teamwork

We achieve more when we work together, respecting every voice.

Accountability

We take ownership of our actions and deliver on our promises.

Sustainability

We build responsibly, protecting the environment for future generations.

Professionalism

We operate with discipline, respect, and a focus on continuous improvement.

MEET OUR TEAM

MAHESH PATEL

With a Diploma in Civil Engineering obtained in (1991), Mahesh Patel began his career as a site civil engineer and ascended to the position of Senior Vice President Operations at PSP Projects Ltd. Throughout his tenure, he has successfully overseen numerous projects, consistently ensuring they are completed on time and to the utmost quality and safety standards.

MAULIK PATEL

A Bachelor of Commerce graduate from (1991), Maulik Patel initiated his professional journey as an accountant. He climbed the ranks to become Vice President Purchase at PSP Projects Ltd., where he gained valuable experience in multiple departments, including purchasing, environmental health and safety (EHS), RMC plant operations, accounting, and civil engineering. His versatile skill set has been instrumental in delivering projects efficiently and effectively.
